

Good Luck! If you experience any issues while testing, contact placement@math.arizona.edu

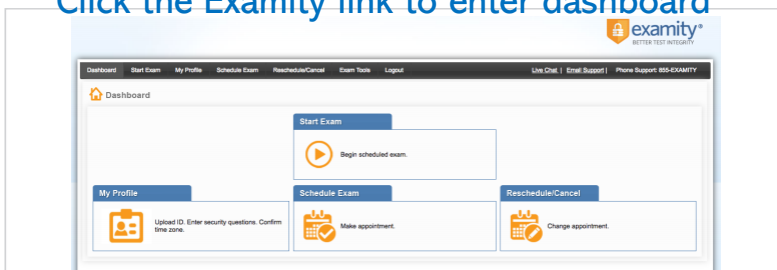

- You need high speed internet, a webcam, and a microphone. Connect to the internet with an ethernet cord while testing, if possible. No tablets or Chromebooks. Browser must be Chrome or Firefox (not Safari).
- Your session is recorded and reviewed. Take this as if it is an in-person proctored exam.
- The UA PPL Assessment is a 60-90 minute test, but you have up to 3 hours. Scores are processed into the UA system overnight. Do the problems in order. You can only test once in a 24 hour period. Scores are good for one year.
- You can use blank scratch paper and a calculator. Only certain calculators are allowed. [Check here.](#)
- [Find out more about the assessment before taking it.](#) Any violations of rules may result in an invalid score. Pay attention to the rules you agree to in Examity before you begin the assessment.
- There is a \$26 fee for testing and retesting.
 - Some programs, like Arizona Online, freshman or international orientation, cover the cost of the first exam
 - Transfer, current, readmits, NDS, and other students pay for the test through their Bursar's account
