**MATHEMATICS TEACHING MINOR REQUIREMENTS**  
(2022 & 2023 catalogs)

**Important:** the teaching minor is NOT sufficient for Arizona teaching certification. Students who wish to become certified in teaching must complete a teacher certification program and/or meet the requirements aligned with the Arizona Department of Education.

Minimum units required: 18 (at least 3 units must be completed at UA)  
Minimum upper-division units required: 6  
Minimum minor GPA: 2.00

Course Work Requirements:
- Complete all five:
  - MATH 122A/B or 125: Calculus I  
  - MATH 129: Calculus II  
  - MATH 205: Teaching Secondary Mathematics  
  - MATH 313: Introduction to Linear Algebra (formerly MATH 215)  
  - MATH 406A*: Curriculum & Assessment in Secondary School Mathematics

- Choose one course from:
  - MATH 315: Introduction to Number Theory and Modern Algebra  
  - MATH 330: Topics in Geometry  
  - MATH 361†: Elements of Statistics using Calculus  
  - MATH 404: History of Mathematics

*Students in the Teaching minor will need to consult with the assigned advisor in planning their course schedules; they may need special permission to enroll in 406A.

†Additional course work may be required to fulfill prerequisites. See the General Catalog for a complete course description including prerequisites.

To add the Math Teaching minor, please send your request using the online form at [http://math.arizona.edu/academics/undergrads/advising/minor](http://math.arizona.edu/academics/undergrads/advising/minor)
