Math 122b Written Assignments to be handed in for Fall 2019 Instructor Wood

Remember you must show/explanations all work to receive credit on these assignments. Answers with no work or explanation will receive NO credit. Even if you think the answer is "obvious" you must provide an explanation or show some work. You are required to write the question and include the correct notation. On check your understanding, equation, graph or table with words to support your conclusion. Write the statement and support your answer.

Section	Problems due the day after the section is completed	Due	Comments
